

Welcome to the תשפ"ו season of **Camp Kevutza** **בס"ד**, a spectacular summer program exclusively for boys entering 3rd–8th grades. We are thrilled to bring you another incredible season at Kevutza, continuing our tradition of high-quality fun, sports, learning, and a positive, professional environment.

Camp Kevutza is entering its Bar Mitzvah year **בס"ד**, celebrating over a decade of bringing smiles, ruach, and unforgettable summer fun to our campers!

Our **Kevutza Divisions of 2nd, 3rd, and 4th grade** enjoy a **tailor-made program** crafted by our **exceptional and devoted staff**, giving each boy the perfect foundation as they grow toward

Kevutza Extreme: (grades 5th -7th)

Extreme Experience. Extreme Trips. Extreme Energy. Extreme Achievement.

Our program is designed to give each camper the optimal balance of both **גשמיות** and **רוחניות**. Camp Kevutza takes pride in activities and productions that highlight our campers' unique talents. Every boy is given the opportunity to shine and to feel like an integral part of the Kevutza family.

Each morning begins with a lively learning seder led by our talented rebbeim under the direction of Rabbi Yitzchok Eisgrau, infusing each day with meaning and enthusiasm. **We are proud to welcome back Rabbi Eisenman and Rabbi Rapp as Head Counselors. Their vision, leadership, and unwavering commitment to the success of our campers are reflected on the faces of the boys—year after year.**

Following learning, the boys enjoy a fast-paced and exciting schedule including competitive sports, swimming, spectacular trips, major overnights, late nights, geshmake BBQs, and engaging productions.
