KEVUTZA WEEK 4

JOURNEY THROUGH GREATNESS

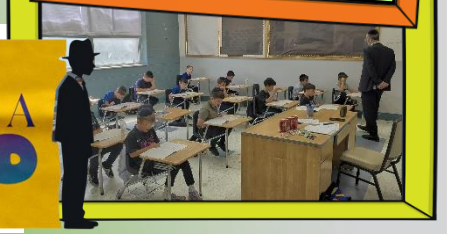

Week 4 began and ended with exciting trips for the different grades, with Camp Kevutza's outstanding Color War taking center stage!
It was truly a sight to see our campers dressed in their team colors, giving it everything they had and cheering with tremendous spirit.
Our staff was simply amazing. The sleepless nights and tireless work they put in—solely to enhance our campers' summer—were truly remarkable.
A special thank you to our amazing Rebbeim, whose warmth and dedication made Camp Kevutza's outstanding learning program an integral and meaningful part of every day.
This summer has been, with tremendous Siyata D'Shmaya, something very special. Thank you to all our campers and parents for being a part of it.
It is hard to imagine that we are already down to the final two days—but have no fear! Every remaining minute will be filled with complete Gadlus, the Kevutza way!
Looking forward,
R' Yehuda Neuwirth

"Well, what is it now?" Old McTendricks cried,
As he climbed on his plow with his cow by his side.
"Oh, listen," I told him, "our week was quite grand—
It started with Second and Third at Playland!"
With fancy K-ties, they all looked their best,
On bumper cars, coasters, and all of the rest.
They twisted and turned and went soaring up high,
(Old McTendricks got dizzy from watching them fly!)
Then back into camp, with no time to go slow,
For the famous Kevutza Camp Cooking Show!
The Campers and Counselors cooked up a storm,
As the hungry young judges began to perform.
The food was delicious, each dish quite a thrill,
Our tasteful young Generals both ate their fill.
Their taste buds showed Gadlus, they knew what was right—

And both teams knocked it out of the park that night!
But suddenly—confusion! "Where should we go?"
"Is Color War coming? Does anybody know?"
Then Red and Blue marched right onto the stage,
And the cheering grew louder, like waves in a rage!
With Generals Akiva and Dovi in sight,
Both teams were prepared to compete with their might!
Team Machshava and Maaseh were all the camp's talk,
With banners and colors on each hallway walk.
There were sports, Grand Bechinah, great plays, and loud cheers,
With incredible moments we'll talk about for years!
The campers displayed all their talents with pride,
(While McHendricks attempted some dancing outside!)
The lip-sync performances were truly geshmak,
Each team giving everything—nothing held back!
Then came the Alma Maters, heartfelt and strong,
Not a dry eye remained as each team sang its song.
Both teams won the tachlis—true Gadlus and fun,
Bringing out hidden talents in everyone.
But after the points were all carefully weighed,
Team Maaseh took the lead from the effort they made!
Then Thursday brought "Where Are My Counselors?" too—
"Did you capture them yet? Did they get away from you?"
The campers went searching through each room and hall,
Till the counselors were captured—yes, one and all!
Then off to American Dream for a night full of rides,
Going up, going down, going forward—and sides!
We zoomed and we spun till the night reached its end,
(Old McHendricks is still on one ride with his friend!)
Baruch Hashem, safely, we all made it home,
With great stories to share everywhere we may roam.
What a week of excitement, achdus, and fun—
And we can't wait to see the next Gadlus one!

Generals Messages

To the Red Team!!!!!

Hey, Red Team—I'm still in your heads!!!

Firstly, THANK YOU to Every single camper! you are all a winner after this color war!!!! The achdus that came out was like never before!! This was the best Color War I've ever had. It's also the first time I've won Color War at Camp Kevutza in the seven years I've been here (including three years as a camper)!!!!

Thank you to all of the Red Team counselors who made sure every single camper had the best time. Whether it was staff volleyball, dodgeball, or the skit the campers got to be a part of and have fun with joking around! YOU were always there to make sure the fun never stopped!!!!

A HUGE shoutout to every single camper who helped with the dining room decorations. You really helped a ton, even if it was "just" helping with the garbage!!!

Thank you to the division heads and the head staff for putting together such an awesome Color War. It was truly remarkable, and I'll never forget it.
Signing off,
Your General,
Dovi Rubelow

Hey team of blue!!

WOW WOW WOW!! That was awesome!! YOU GUYS ARE AWESOME!!! What a color war that was. From the first moments until the waning moments you guys were involved and gave it your all and it showed. You guys are truly the absolute BEST!!! Sorry the score didn't end the way we wanted, but color war was still a smashing success!! The main thing is that you all enjoyed and had fun, and YES YOU GUYS DID!! I've never in my 13 years as a counselor seen the team that would go on to "lose" color war have as much fun as you guys did and that makes you all the real winners. Keep on being your awesome selves, you guys ROCK!!!!!!!

Your General,
Akiva Green

XTREME KEVUTZA

Xtreme energy.
Xtreme ruach.
Xtreme personality.

XTREME ENERGY!

XTREME EXPERIENCE!

XTREME ACHIEVEMENT!

XTREME TRIPS!

What an incredible week in Kevutza Xtreme this has been!!! From the (planned) chaotic day where Rabbi Rapp was nowhere to be found, moving into the Grand Chef Eisenman Cooking Competition, where the counselors prepared delicious dishes, but the campers starred as they served mouthwatering delicacies and flatly won the competition, culminating in the reentrance of Rabbi Rapp, breaking out.... Color War 2026!!!!! This year's Color Way was truly historic, with the most energy and involvement from any Color War in Camp Kevutza history!!! The reason is obvious, as Kevutza Xtreme made major contributions, by offering our prized Akiva and Dovi as generals, along with the rest of our talented staff. Our Xtremers were also the biggest contributers of Color War, from decorating the Dining Room, to pumping up the Ruach around Camp!!! We showed the entire camp what it means to fight for an ideal, as we sang tear jerking melodies portraying the concepts of Machshava and Maaseh. After we marched into the Grand Sing, we were treated to an inside view on the heart stopping race between our two generals, and were then enthralled by two incredible lip singing performances. (Shout out to Mordy for the cap and undershirt concept!!!) Afterwards, the mood turned more reflective, as we thought about all the tremendous Gadlus that we achieved in Kevutza Xtreme this summer, and we sang stunning Alma Maters bringing out the uniqueness of Camp Kevutza. Finally the winner was announced (after multiple mike-grabbing attempts), but truthfully we were all winners, for having an amazing healthy competitive Color War and bringing out all our talents!!! Special Shout out to Xtreme's very own Mendy Fern for all the great upgrades to Color War!!! The week was topped off by an xclusive Xtreme trip to American Dream, where we gracefully allowed Fourth Grade to join us, (because after all, Xtreme's middos are second to none) and we rocked on all the rides!! Another amazing week in Kevutza Xtreme!!! Have a great Shabbos, and looking forward to the final stretch next week!!!!!
